

CALIFORNIA ENROLLEES – CAL-COBRA EXTENDED CONTINUATION COVERAGE

California law requires insured medical plans and HMOs in the state to offer qualified beneficiaries who exhaust their 18 or 29 months of federal COBRA an additional period of continuation coverage, to a total of 36 months from the date federal COBRA began. (Note: Cal-COBRA does not apply to the CIGNA or UHC medical plans, nor dental or vision plans. If you are enrolled in the CIGNA or UHC medical plans and want to be eligible for CAL-COBRA coverage, you will need to enroll in a Kaiser California plan during this annual enrollment period). Contact your medical plan directly for further information on Cal-COBRA.
