Dental Benefits Summary

Other Important Information

This Aetna Dental® Preferred Provider Organization (PPO) benefits summary is provided by Aetna Life Insurance Company for some of the more frequently performed dental procedures. Under the Dental Preferred Provider Organization (PPO) plan, you may choose at the time of service either a PPO participating dentist or any nonparticipating dentist. With the PPO plan, savings are possible because the participating dentists have agreed to provide care for covered services at negotiated rates. Non-participating benefits are subject to recognized charge limits.

Emergency Dental Care

If you need emergency dental care for the palliative treatment (pain relieving, stabilizing) of a dental emergency, you are covered 24 hours a day, 7 days a week.

When emergency services are provided by a participating PPO dentist, your co-payment/coinsurance amount will be based on a negotiated fee schedule. When emergency services are provided by a non-participating dentist, you will be responsible for the difference between the plan payment and the dentist's usual charge. Refer to your plan documents for details. Subject to state requirements. Out-of-area emergency dental care may be reviewed by our dental consultants to verify appropriateness of treatment.
